**Accessories:Food and Water:Water Purification**

Product	SKU	Brief	Price	
	KATADYN Hiker Microfilter Unit	WA22-KY2	<p>The Katadyn Hiker is the best selling microfilter in the US Outdoor Market. Lightweight and easy to use design is the best choice for all around use. Unique, pleated cartridge design provides fast and easy pumping. Convenient and handy for 1–2 people (e.g. while hiking or trekking). Compatible with hydration bladders. Capacity approx. 200 gal., Output approx. 1 quart/min, anti-clog technology with 0.3 micron glassfiber, no cleaning needed, activated carbon granulate. Includes: Prefilter, bottle adapter and carry bag.</p>	\$79.99
	KATADYN Vario Microfilter	WA22-KY1	<p>The Vario combines individual efficiency with the simplest possible handling. The technology it uses consists of three filter levels: a high-performance glass fiber filter, a ceramic pre-filter that can be adjusted individually according to the cloudiness of the water, and active charcoal for eliminating odors. Anyone who needs up to two liters of drinking water per minute can use the glass fiber and active charcoal filter. If the water is extremely cloudy, the ceramic pre-filter can be fitted in a moment in order to extend the service life of the glass fiber filter. The Vario is compatible with most standard outdoor bottles and hydration bladders.</p>	\$109.99
	KATADYN Water Purification Tablets (20 tablets)	WA33-KY3	<p>The Only EPA Registered Purification Tablets on the Market! And the only disinfection system effective against viruses, bacteria, cryptosporidium, and Giardia. No unpleasant taste. 20 tablets per pack.</p>	\$12.99
	Water Heater Adapter	WA22-WH	<p>This adapter attaches to your water heater and provides you with 50 gallons of instant clean water. Perfect in any disaster situation.</p>	\$7.99
	Water Preserver (55 Gallon)	WA99	<p>This Water Preserver is recommended by top emergency professionals and is registered and licensed by the federal and state EPA. It treats up to 55 gallons of water. Water Preserver is the first and only product recognized and proven effective for 5 years of water storage. Water Preserver is a proprietary formula of stabilized, pH-balanced Sodium Hypochlorite with a highly effective residual action that kills bacteria, viruses, molds, and fungus. Directions for use are enclosed with each bottle. For use with new and unused, blow molded, rigid, all plastic containers, made of virgin polyethylene resin. Perfect for use with our 30 and 55 gallon water storage barrels.</p>	\$15.99
